

RE: EU RoHS Directive

[Insert Date]

Dear [Insert Name],

Smiths Medical has initiated a program to review and reconfigure its electrical and electronic products and their components to eliminate materials restricted under the Restriction of Hazardous Substances Directive 2002/95/EC, recast as Directive 2011/65/EU (RoHS). Smiths Medical intends that the products [included in this tender offer] [covered under the proposed contract] [set forth on the attached list] will be fully compliant with applicable regulatory deadlines

Sincerely,

Smiths Medical ASD, Inc.
