

Level 1[®] Biomedical Repair Training

This is a one day Training Course for Biomedical Technicians to learn how to maintain and repair the Level 1[®] H-1200 and HOTLINE[®] Fluid Warming Devices.

The Biomedical Technician will learn:

- Theory of Operation and Factory Service & Repair features on the devices
- Preventive maintenance procedures
- Calibration procedures
- Disassembly and reassembly of the fluid warmers
- Component replacement procedures
- Failure modes and service & repair solutions
- Troubleshooting techniques
- Service tips for easier maintenance
- Functional testing & inspection procedures
- Includes All Service Manuals

Who Should Attend

The Course is designed for Biomedical Technicians who are currently, or will be actively maintaining and repairing the Level 1[®] H-1200 High Flow Fluid Warmer or HOTLINE[®] Fluid Warming devices. Biomedical Repair Training is recommended near the end of the warranty period.

Training Location and Times

Factory Training Courses will be held quarterly at Smiths Medical's Rockland, MA facility.

8:00 am - 5:00 pm EST

- Hotel Recommendations with Smiths Medical
Discounted Rates Available (please call)

On-Site Training at your facility can be arranged

Dates and locations can be scheduled at your facility or join a course by contacting Technical Services & Support.

Training Costs

- \$500.00 USD per person, per Factory Training Course
- \$5,000.00 USD per On-Site Training Course (for up to 10 technicians)
- Reserve with a valid PO#, Check, or Credit Card
- Course fee includes a Service Manual for each technician and lunch

Registration deadline: One week before course date.

Course space is limited, so sign up early!

Registrant is not confirmed until payment (PO# or Check) is received by Smiths Medical Service & Support.

Cancellations: Full refunds will be provided if you cancel your registration at least one week before date.

Cancellations (within 7 days of course) and "no shows" are responsible for the entire registration fee.

Smiths Medical reserves the right to cancel a course due to low registration and a full refund will be provided.
